Dear Patton and His Third Army,

Thank you for the thoughtful gift of wool blankets to L.A.M. and The Manna Food Pantry. Your generosity enables us to reach the families in need in our community. You can take comfort in knowing that we are an all volunteer organization and 100% of your contribution will be used for qualified, low income and struggling families.

L.A.M. has a 501 (c) (3) tax exempt status and your gift is tax deductible in accordance with the IRS regulations.

We greatly value the relationships we have with our contributors and realize the importance of working together, knowing we have made a difference in someone's life. You enable us to carry on Jesus' command of loving our neighbor, and you make it possible for our volunteers to continue our mission even with the difficult economy of today.

May God continue to bless you for sharing with us. We are continually touched by the kindness and humanity that surrounds us.

Sincerely,
