3rd Army Patton Show

30446 Joseph Road

Hockley, TX 77447

Dear Denny and the 3rd Army Patton Show Personnel:

This is a letter of extreme satisfaction and high recommendation to you for your outstanding performance at the Friday night August 14 dinner of the 90th Division Association's 90th Annual Reunion at the Sheraton Grand DFW in Irving, TX.

It was obvious the audience was mesmerized by your sudden surprise appearance [as pre-planned] and appeared to be in temporary shock. Not a sound was heard from the audience – as though they were holding their collective breath so as not to upset the General. The accuracy and intensity of your presentation reinforced just how much in awe our WW II soldiers still are of General George S. Patton!

We heard only high praise from the attendees for not only your “show”, but also for the way in which you made your appearance. You surely could tell later that evening and the next day just how much they all enjoyed you by the steady flow of individuals to talk with you, have their picture taken with you, and generally engage you in animated conversation. You were the “hit of the reunion”, and exceeded our high expectations for your presentation.

Thank you for agreeing to be a part of our 90th Annual Reunion and for your extra contribution of time and availability to our attendees – the memories will last forever.

Sincerely,

James R. Reid, Sr.
Executive Secretary/Treasurer
